Welcome

We take pride in welcoming you to **TeKnoWave**, Canada's first National Aboriginal IT, Business and Sustainable Energy Training Programs.

Our quality education, friendly atmosphere, and a variety of Indigenous social and cultural activities make **TeKnoWave** the perfect place to study and develop life-long friends.

Our Programs are designed in collaboration with hiring organizations. These programs are designed specifically for Aboriginal People which lead to immediate career opportunities in:

• Corporate Canada
• All Government Sectors
• Aboriginal Communities
• Starting a New Business Venture; or
• Continuing University Studies for a Degree

Nia: wen (thank you) TeKnoWave"

"Not only am I getting a good job, I am returning to my own community to start my career.
Trina Henhawk, MCSA,

Technologist/Skills Facilitator
OGWEHOWEH, Six Nations
